

WATER SKI WAKEBOARD ONTARIO

ANTI-DOPING POLICY

June 2023

PREAMBLE

Water Ski Wakeboard Ontario (WSWO) has adopted the Canadian Anti-Doping Program (CADP). For details of this program visit: <https://cces.ca/canadian-anti-doping-program>.

By adopting the CADP, WSWO has joined a world-class anti-doping program that is designed to protect athletes' rights and ensure a level playing field. The WSWO's anti-doping policy reflects and supports the CADP.

POLICY

WSWO has adopted the Canadian Anti-Doping Program (CADP). As part of WSWO, all members of WSWO are subject to Canada's anti-doping rules, which are administered by the Canadian Centre for Ethics in Sport (CCES). The CADP consists of several components such as in- and out-of-competition testing, education, medical exemptions, and the consequences of doping violations, and is compliant with the World Anti-Doping Code and all international standards.

Canadian Anti-Doping Program

The CCES recommends that athletes take the following actions to ensure they don't commit an inadvertent anti-doping rule violation:

1. Check the Global DRO (www.globaldro.com) to determine if any prescription or over-the-counter medications or treatments that are banned by the WADA Prohibited List.
2. Review Medical Exemptions requirements in the CCES Medical Review if you require the use of a banned medication for a legitimate medical reason.
3. Do not use supplements, or take precautions prior to doing so. Supplement products cannot be verified by the CCES or in the Global DRO. A lack of industry and government regulation makes it impossible to confirm their ingredients.
