## 7: Health and Safety Policy

Revision Date	Details /Comments
1 March 2017	Re-affirmed by the Board of Directors
20 June 2023	Re-affirmed by the Board of Directors

The success of Water Ski Wakeboard Ontario's Safety Program depends on sincere, constant, and cooperate efforts from all staff, officials, volunteers, competitors, participants (members) and their proactive, preventative participation.

All members are expected to work in compliance with and follow safe working procedures at all times and to take a proactive role in protecting themselves, their fellow members. Members are encouraged to identify and report unsafe conditions, practices and/or behaviour, as well as make suggestions for correction or improvement. You are not expected to perform work in an unsafe manner or conditions.

The safety information in this policy does not take precedence over O.H. & S. Regulations. All employees, athletes, coaches, and participants should be familiar with the O.H. & S. Act and Regulations.
